## Location

Situated on the banks of Albert Park Lake, Carousel has the most remarkable views of Melbourne's city skyline and surrounding park lands. Carousel is located only 10 minutes from the CBD.

## Venue & Interior

Created by award winning architect Allan Powell and designer Chris Connell, Carousel is one of Melbourne's most contemporary and stylish event venues. The colour palette is a warm sophisticated blend of fine textures, natural tones and pale wood veneer complimented by woven screens.

## General Facilities

Carousel accommodates events for 50 to 1000 guests, offering 645 squared meters of floor space. The venue can be configured into a number of user friendly spaces using both elegant curtaining systems and operable walls to assist in creating your desired space. Floor to ceiling windows offer unrivalled views of Melbourne's city skyline, while an expansive decking over Albert Park Lake allows your guests to feel far removed from the hustle of Melbourne's CBD. Blackout facilities can further enhance your conference audio visual needs.

## Catering Services

food&desire consistently delivers the highest quality food, wines and service ensuring premium quality produce with a particular emphasis on seasonal local produce. The approach is fresh and innovative, incorporating global flavours with an emphasis on modern Australian cuisine. The food style is creative, responding to clients needs by tailoring and designing menus aligned to their brief. food&desire has a state-of-the-art commercial kitchen located in Richmond and also offer on-site catering to various venues in the CBD and metropolitan Melbourne.
