## Company Profile

Established in 1966, ICMS Australasia (ICMSA) specialises in serving its clients professionally to achieve agreed outcomes. ICMSA has successfully managed award-winning national and international conferences, for associations, government and corporate clients. With a strong network of key management personnel, we offer continuity and expertise, ensuring delivery of a landmark event.

## Testimonials

" I am writing to thank you and your team most sincerely for the superb effort that you have put in, the superb organisation and the superb conference you delivered for us. I am extremely grateful for your help, friendship, advice and efficiency. "

**Professor Ian Catterson,  
ICO06 Co-Chair/Treasurer, 10th International Congress on Obesity**

" ICMSA showed professionalism, efficiency and demonstrated vast experience in the organisation of conferences. The conference was a resounding success, we reached our target number of registrations and exceeded our target income from sponsorships and exhibitors. The whole team was also to be commended for their daily support on site."

**Associate Professor Sandra Hale  
Chair, Critical Link 5**

" On behalf of ANZIAM, the Australian Mathematical Society, the International Council for Industrial and Applied Mathematics, and my colleagues on the Management Committee, I thank ICMS Australasia once again for the professional, experienced, hard-working, enthusiastic and friendly service. Your team was superb! "

**Noel Barton, Congress Director  
5th International Congress of Industrial and Applied Mathematics**
