Set in the heart of Gippsland with sweeping views of Bass Strait and Anderson's Inlet, the eco-friendly RACV Inverloch Resort is a fantastic proposition for executive retreats and small to medium-sized conferences. The 32 hectare site houses a clever low-impact resort fronting a pristine stretch of beach.

Located on the picturesque South Gippsland coastline and only five kilometres from the Inverloch township, this resort has three flexible layout meeting rooms for conferences of up to 80 delegates.

The meeting rooms are contemporary and light-filled with floor-to-ceiling glass planes and feature an adjoining break-out area with balcony, with terrific views overlooking the resort wetlands and the rolling surf. Each room has been designed to capture an abundance of natural light, and our location means there are limited distractions.

The RACV Inverloch Resort's ocean view rooms offer delegates flexible accommodation options and the fabulous premium villas work well for small conferences of up to eight delegates.
