Location

As Geelong's newest and most stunning function venue, The Pier Geelong is located on the tip of Cunningham Pier in the heart of Corio Bay. Geelong is a vibrant and thriving provincial city in Victoria, just 60 minutes from the Melbourne CBD and the gateway to the picturesque Bellarine Peninsula, Surf Coast and Great Ocean Road.

Venue Highlights

Our elegantly designed and versatile event space offers uninterrupted city and bay views and is Geelong's largest purpose built function centre. The venue is 250 metres out over Corio Bay with floor to ceiling windows offering simply breathtaking 270 degree views. A part of the vibrant and modern waterfront precinct, The Pier Geelong offers a world-class venue right in the city by the bay.

Also included within the complex is our fine dining restaurant Baveras, The Dock Café and City Quarter boutique bar on level one.

Catering

Whilst the number of people being catered for may vary, the quality of food and service does not. We will provide restaurant quality fare for your function no matter the size. Our chefs are talented, unique, flexible and happy to meet the personalised requirements of each client.

The professionalism and experience of our team will ensure that your function will be stress free and highly enjoyable. We do our best to meet any requirements and provide efficient and friendly service to all of our guests. We are here to assist you with your questions and can offer a range of advice in order to make your event a memorable occasion.

Event Spaces

The Pier Geelong can cater for large events as one whole room or can be divided into the Hopetoun Room and Lillias Room, which includes The Terrace.

- The Hopetoun Room has views include Limeburner's Bay, Rippleside and the boats moored at the Western Beach Yacht Club which can be blocked out with the full motorised block out blinds.

- The Lillias Room views include Avalon, Port Phillip Bay, Eastern Beach, Royal Geelong Yacht Club and the whole waterfront precinct. An extra feature of this room is the enclosed glass decked area with large windows, allowing refreshing sea breezes when open. Perfect for adding an extra wow to your event.

With the dividing walls removed the Hopetoun and Lillias Rooms combine to make one large and impressive function area.

- The Private Dining Room is the perfect waterfront boardroom/ meeting space and includes a plasma screen with direct access to your laptop making presentations a breeze.
